21st January 2009

Dear colleagues,

The Maltese National Agency would like to announce and invite you for the first ERASMUS and LEONARDO DA VINCI contact seminar taking place in Malta from 20-23 May 2009.

The title for this contact seminar is “Mobility – an Educational Tool for Vocational/Higher Education Institutions and Enterprises”.

The main aim of this contact seminar is to increase cooperation and promote dialogue between educational institutions and enterprises with an aim to develop mobility projects within these two sectoral programmes - to enhance training of students, teachers and staff of educational institutions as well as staff in enterprises.

We are therefore inviting NAs to reserve places for participants from their countries for this contact seminar. It would really be appreciated if NA staff could also participate and help in the implementation of this seminar. We also encourage you to promote this seminar with enterprises in the event to build new networks in the field of vocational and higher education.

For further information and reservation of places contact Ms. Gabriella Agius (gabriella.agius@gov.mt – Leonardo da Vinci) and Ms. Mary Jane Mifsud (mary.jane.mifsud@gov.mt – Erasmus).

Kindly reserve your places by Friday 2nd April 2009.

Attached you may find draft programme for the seminar.

Regards,

Mary Jane & Gabriella
