

To help public and private organizations engage, participate, and lead in Europe and beyond.

## Introduction

Paragon Europe was founded in 2004 with the objective of targeting EU funding opportunities for both the local and foreign market. It has since broadened its services to include:

Business Consultancy

Project Management

Tenders

Internships

Training

Study Visits

Research

Environmental Consultancy

*A Small Company with a Big Passion.*

## Realising Excellence

## Business Consultancy

Paragon Europe offers 360° advisory services. Paragon specialises in business consultancy services. These include business planning, business development, business strategy, marketing, HR, project management and eBusiness. We provide specialist Malta Company formation services to corporate or individuals planning to register a company in Malta. At Paragon, we provide a cost-effective, high value solution to meet all of your business needs. We work hard to get to know you in order to deliver timely, individual advice on how to improve your business.

## Project Management

If you are about to embark on a project, whether EU-related, start-up or even the development of a new plan or programme, we have the perfect setup to support you in the overall Project management process. Over the years, Paragon Europe has been responsible for the submission of applications for various EU co-funded projects including de-centralised funds such as the ERDF schemes under the Malta Enterprise and the Malta Tourism Authority as well as centralized funds such as Lifelong Learning, INTERREG, Euro-Med, FP7 and CIP.

## Tenders

Paragon Europe has experience in bidding successfully for local and European tenders. Paragon Europe has a diffuse network of contacts which can sustain high quality consortia which, in turn, shall increase your ability to win tenders in different areas of expertise.

## Internships

Paragon Europe offers placements to Maltese companies. Students can bring new processes, methods and learning into your organization. Paragon Europe matches the requirements of the hosting organisation with the expertise and knowledge of the students.

## Training

The world is changing, and also the way of doing business. This is why Training enriches both your company and staff. Paragon Europe through its extensive EU connections, can address training in any subject related to a company. The plan for training requirements can be developed following a training needs analysis.

## Study Visits

Paragon Europe offers the opportunity to organize study-visits in the Maltese Islands. We propose many different topics such as history, culture, food .... We can also prepare a tailor-made visit according to your subject. We can also organise different activities and trips for you, ranging from cultural trips to social activities. Paragon Europe takes care of everything in organizing these study-visits.

## Research

Paragon Europe has a multi-disciplinary team of experts and academics that are capable of providing high quality research reports. This team can identify the best methodology in addressing different research needs. Example of research carried out includes market reports, innovation strategies, cost-benefit analysis and others.

## Environmental Consultancy

Over the last years, Paragon Europe has also been addressing the environmental needs of different organizations. In fact, Paragon has in-house capabilities of carrying out energy audits and identifying the needs of the organisation in terms of becoming more energy efficient and cost effective.

## Conclusion

### Why Paragon Europe?

- A team of professionals who work hard to meet your requirements
- Cost-effectiveness
- Readiness to go the extra mile
- Supports the development of innovative practices

**Paragon Europe offers 360° advisory services supported by an extensive local and foreign business technology network.**
