## F+U Sachsen - your partner in Germany

The F+U Gemeinnützige Bildungseinrichtung für Fortbildung und Umschulung Sachsen GmbH (non-profit institution for further education and retraining Saxony Ltd. – shortly F+U Saxony) is a state approved education provider. Established in 1991 F+U Saxony has developed into a leading institution in south-east Germany conducting programmes in vocational training, human resources development and career advancement.

## Quality Standards

To meet exactly the requirements of any demanded programme, F+U Saxony relies on a permanent staff of 250 experienced academics and managers and on a large pool of talented trainers.

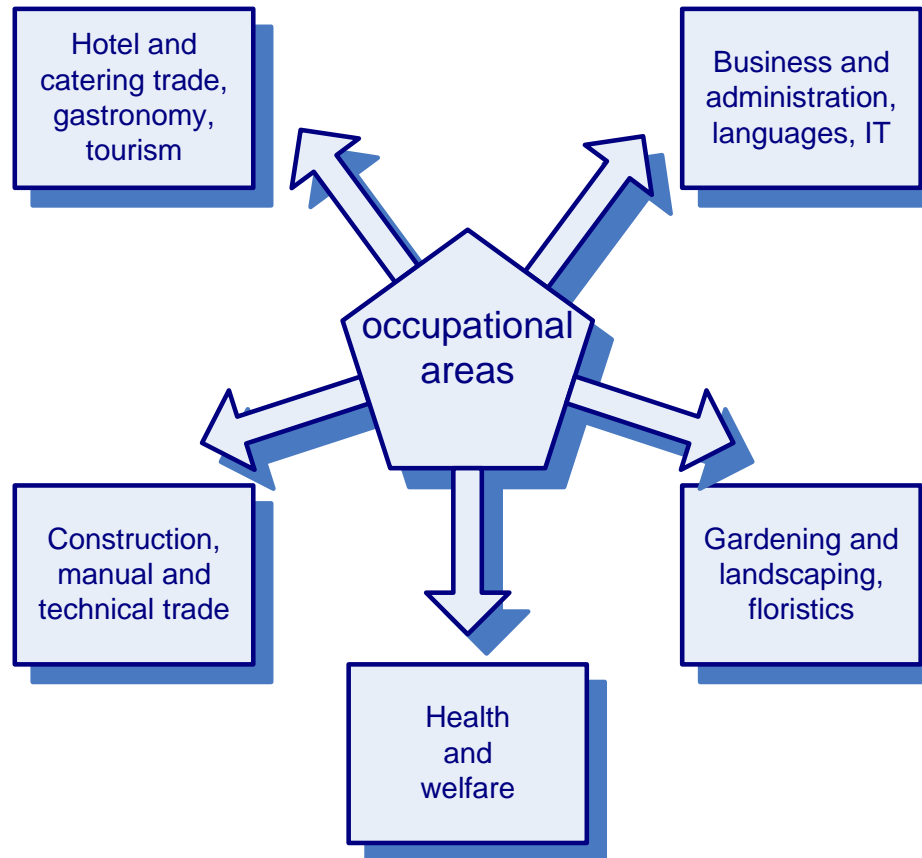

Reaffirming the F+U's commitment to high quality standards, all departments of F+U Saxony are TÜV certified and comply with the regulations of DIN EN ISO 9001:2000.

We are certified according to the  
Quality Management System  
Certificate DIN EN ISO 9001:2000

## Programe structure

## Construction, manual and technical trades

Everything from traditional construction methods using stone and wood, electronic, paint, paintwork and car-painting, automotive engineering, diagnostic and repair, can be taught and practiced in up to date equipped facilities.

## Tourism, hotel, gastronomy and catering

instruction in hotel and tourism management techniques, teaching of specific skills, international customs and foreign languages are integral parts of our training programs here

## Business and administration and IT

Economic and social changes create increasing challenges in business and administration.

In addition to basic training, we are offering special continuing education programs for technical and managerial staff employed in national and international companies and administrative bodies.

## Language courses

The F+U language school offers courses in German as a foreign language, English, French, Italian, Spanish, Russian, Chinese and many more.

Participants for preparatory courses DSH-Examinations (German language examination for University access) are always welcome at F+U Saxony.

## Language courses

We offer preparation courses with a opportunity to pass examination in in accordance with the Common European Framework of Reference for Languages (CEFR).

A1 and A2 – Basic user

B1 and B2 – Independent user

C1 and C2 – Proficient user

## Train the Trainer courses

F+U Saxony offers up-to-date standard programs, for teachers, trainer and instructor of all the mentioned occupational areas.

The goal is to share our longstanding experiences with our colleagues from other nations.

## F+U Campus Chemnitz/Einsiedel

The F+U Campus located in the south of Chemnitz offers excellent conditions for intensive learning, for communication with participants from other nations as well as for recreation.

Modern machine parks and training rooms provide an environment of creativity for the participants and the trainers.

## Accommodation and full board

The participants of ICS programmes can be accommodated in comfortably equipped residences with single, double or three-bed bedrooms. The company owned restaurant offers full-board services throughout the year.

Internet hubs and an onsite WLAN access may be used by everyone.
