Profile & Experience

SupEuropa is a training-body created in July 1990 at Colmar (France), registered near the French Ministry of Labour and Continuing & Vocational Education under reference n° 42680073168.

SupEuropa is specialised in training engineering and consultation applying to transnational educational projects (Mobility and Research projects).

To perform its duties, SupEuropa constitutes and leads appropriate consortia of competencies, that gather, depending on the subjects : institutional bodies, universities, high schools, social partners and enterprises.

Beside these main activities, SupEuropa is the co-ordinator of the European Citizenship Programme "Euroscola" of the European Parliament of Strasbourg, that gathers yearly more than 10.000 youths from the 27 States members (Contract 2007 / 2011).

Mobility :

In the framework of partnerships with EU (and French) organisations, SupEuropa develops three types of transnational programmes :

- a) **Mobility Programmes whose content is part of the curricula of students engaged in higher education (placements for training in companies).**

2005 / 2009 references : Technical University Sofia, University of Architecture Sofia, Veliko Tornovo University (Bg), University of Foggia (It), Provincia di Ancona (It), Escola de Comercio de Lisboa (Pt) and Individuals from French universities that we place elsewhere in Europe through our network.

b) Mobility Programmes whose content aims at re-enforcing knowledge and at developing new competencies (conferences and courses + placements).

2005 / 2009 references : “University of Medicine of Craiova” (Surgeons in orthopaedics), “National Institute of Pharmacy of Lisbon” (doctors in pharmacology), “School of Directors of the French bank Crédit Mutuel” (6 yearly study-visits in British financial institutions in London).

c) Mobility Programmes whose content aims at acquiring new knowledge, know-how and methods and at sharing experience with French colleagues (seminars).

2005 / 2009 references : “Delegation of the University of Suceava” (Them: “Entrepreneurship”), “Delegation of the University of Craiova” (Them : “Mass media and European Institutions”), “Delegation of the “Casa Corpului Didactic Dolj” (Them: “Orientation”).

Research :

Contributing, within partnerships, at the elaboration of pathways or new curricula in education, in the framework of European initiatives :

2002 / 2006 : Two e-learning projects aimed on entrepreneurship (“E-business in Tourism” and “Ein-personen Unternehmen”)

2005 / 2008 : Under “Reference Materials” : “Transparency of Academic Qualifications and Competencies as the pathway for implementing the process of labour-mobility in Europe” (University of Craiova),

2009 : Under F.S.E. Romania / Human Resources : Sending of Experts for the Project : “Formarea cadrelor didactice debutante pentru o cariera de succes in invatamantul preuniversitar” (Casa Corpului Didactic Dolj) Romania

2005 / 2009 : Under “Lingua Programme” : five pilot-projects aiming at elaborating and disseminating new pedagogic learning methods in foreign languages for specific publics : “Constructor 2000”, “Hermes” , “Apple”, “Inca” and “Language Facilitator”.

Published work :

- in 2003, in collaboration with the University of National and World Economy of Sofia Bulgaria (Editor : Stopanstvo / Sofia) : “ Entrepreneurship”,
- in 2005, in collaboration with the University of Craiova (Romania) “Transparency of Academic Qualifications as a Gateway for Professionals’ Free Movement in Europe” (ISBN 973 742 067 5)

Projects carried out by SupEuropa with community funding, within the last four years :
