## ABOUT US

We are located in the vibrant marine city of Plymouth and work within the South West region of the United Kingdom.

This is a major tourist area and contains an extensive coastline of beautiful beaches, with water sports and the spectacular Dartmoor National Park.

## ABOUT OUR EXPERIENCE

Although a young Company formed in January 2007 we have over twenty years experience hosting students from all over the world. In the last five years we have worked with Leonardo Mobility Programmes under the Lifelong Learning Programme. We are also involved with partnership projects and Erasmus.

## ABOUT OUR SERVICES

- Work experience placements arranged in all sectors with a professional Company.
- Vetted accommodation with an English host family.
- Work placements arranged and vetted prior to your entry to the United Kingdom.
- English Language Training arranged with a British accredited school. A variety of courses available to suit all requirements including training for qualified teachers who wish to enhance their professional skills in teaching English.
- Transfers from airports and ports organised.
- We plan weekly social events.
- Organise cultural trips to suit any budget or assist with information about tourist attractions for you to visit during your stay.
- Monitoring and mentoring of all placements during your stay in the United Kingdom.

## Lifelong Learning Programme

"It was a great time in Plymouth and I really enjoyed being there. My host family was really lovely and I also liked my work placement. I was able to improve my English and my job skills so that I feel more confident now".
