<http://www.oakeurope.co.uk/?q=node/166>

We organize:

- A wide spectrum of foreign language and motivational courses for children and adults
- High quality vocational training with excellent organisation and results in the following specialities: computer operator, office secretary, administrator, cook, waiter/ barman, animator, organiser of tourist activities, assistant teacher
- Partnership exchange programmes for students (15+) and teachers of foreign languages and vocational subjects
- Involvement in European Union projects by hosting groups and individuals from EU countries within Life Long Learning and Youth Programmes
- Improving the quality of vocation education, training system and practice

We would be delighted to come into contact with any partner organization in Europe taking interest in Leonardo da Vinci, Grundtvig (with one of our associations), Comenius (with one of our schools) and youth projects by involving partnerships and mobilities of students and teachers being a sending and hosting organization.

We wish to encourage the sharing of ideas, methods and resources between the specialists in vocational education training.
