<b>title of project/ idea of project</b>	<ul style="list-style-type: none"> <li>• Supporting of students in search of training positions</li> <li>• Ways of Improvement and implementation within each country</li> </ul>
<b>description of project idea incl. theme and activities</b>	<p>Presentation of the school in general and especially schools for disadvantaged young people with no apprenticeship training positions in each country. Cause analysis for the reasons of the failure of not achieving an apprenticeship training position and introduce measures to assist and support students in search of training positions. After elaborating the advantages of each system, we search for possibilities to integrate the advantages in the own system of support for disadvantaged young students. Possible improvements should be identified and shared for implementation within each country.</p>
