Dear Sirs,

Personel Profit with Spanish business partner EQ7 offers You the accession to the Partnership.

The project objective is to create e-learning platform to develop the competence of different participants from 3 countries by money from the EU GRANTS.

The partnership consists of three entities:

- Personel Profit - status of the applicant and partner
- EQ7-status partner, e-learning delivery
- and Your Company- status partner

requested funding for the project in EU grants: grants Leonardo Da Vinci: Transfer of Innovation.

To apply for funds from this grant are needed partnership of 3 object from 3 different countries.

All the formalities of applying within are on the Personel Profit side as a Applicant.

At this stage , the only formality that requires the EU is to sign a letter of intent between the partners for the project.

The project would be funded by a grant from the EU to 75% of total project costs.

25% of the partners contend.

Assumptions of the Project Partnership.

- Create a dedicated e-learning platform
- Create a dedicated training
- Delivery a Training to the participants.

Personel Profit will be the supplier on the merits.

EQ7 know-how will be the supplier of on-line / e-Learning Trainings.

Your liability in this project is to create a target group of end users on-line training or other (it need to be determine/specify).

If you need detailed information on the experience of the Partners, or other informations about project please contact us.

Looking for the answer about Your opinion of that cooperation/ partnership.
