BIC ALBACETE'S OVERVIEW

The **European Business and Innovation Centre (CEEI)** of Albacete is a provincial organization with **European projection**. Established as a **Non-profit making Foundation**, it was created thanks to **cooperation between the public and private sectors**.

The objectives of the **Foundation CEEI Albacete** are to **boost the creation of new businesses**, especially those which are **innovative or diverse**, **fostering new lines of activity** in already-existent businesses and **helping entrepreneurs** in the process of starting their projects.

The **CEEI Foundation of Albacete** is part of the following networks:

- **European Network EBN** (European Business and Innovation Centres -BIC- Network)
- **ANCES (National Association of Spanish CEEI)**
- **EBAN** (European Business Angels Network)
- **AEBAN** (Spanish Association of Business Angels)
- **ERISA** (European Regional Information Society Association)
- **eBSN** (European e-Business Support Network)
