

Feel invited to Dresden

Dresden carries visitors away with a synthesis of the arts: fascinating buildings and art treasures, impressive museums, as well as orchestras and choirs of worldwide reputation.

Dresden offers attractions in great variety and combines three aspects which complement one another: notable art treasure, architectural sights and a charming landscape. Magnificent promenades on the bank of the Elbe, interesting museums and institutions, industrial monuments, charming details. A trip to Dresden is always a great experience. Learn about the many faces of the city and discover its secrets.

WBS TRAINING AG

Mobility Projects

WBS TRAINING AG

The History

WBS's roots date back to 1979 when Ernst KLETT Publishing Company founded a business and industry department which started to offer educational projects for business customers. This formed the foundation for today's WBS TRAINING AG.

Today WBS TRAINING AG is one of the most important German vocational training and service providers with an annual turnover of 50 m Euro. About 400 employees and more than 1.400 external training specialists are working at 60 locations throughout Germany, e.g. Berlin, Dresden, Hamburg, Leipzig, Frankfurt, Cologne, Munich and Stuttgart.

WBS Training Methods

Programmes are delivered by

- the use of blended learning structures,
- classroom training with specialised multilingual tutors,
- self-learning programmes,
- computer- or web-based training.

European Expertise

WBS TRAINING AG has been active for several years in the framework of European vocational training programmes such as:

- **Leonardo da Vinci:**
current participation in 13 pilot projects
- **European Social Fund:**
50 different Training Courses
- **Leonardo da Vinci mobility:**
about 60 projects carried out for students and teachers

Business fields

- Professional education promoted by public national authorities
- Business training and consulting for companies and private customers
- Professional education for people from EU member states

Knowledge for success

Mobility Projects

WBS TRAINING AG arranges placements and offers the implementation of practical work experience within the EuroPass scheme.

The mobility projects are carried out with students and teachers of vocational schools and universities from all over Europe. The programme language is English or German.

The projects include

- company visits, language training,
- training courses in appropriate areas,
- project management, presentation and communication skills,
- insight into the German culture.

WBS TRAINING AG is certified according to DIN EN ISO 9001 : 2008.

Quality Management

- To ensure highest quality WBS TRAINING AG
- conducts surveys among the participants at the end of each programme, maintains a central register of important documents,
 - ensures that all projects are executed within the same framework, that complies with the quality management system of WBS.
