

# GIOCAMONDO

**Giocamondo** was established in 1996 from the experience of some professional young people of Ascoli Piceno, to answer to the popular demand of a socio-educational staff for schoolchildren. A cultural proposal, which tried with success, to experiment to live together, through avant-garde methods

Giocamondo, also plans and offers childhood and teenagers services: a funny – cultural nature, regarding between his most important Italian town customers (Roma, Milano, Parma), public bodies (INPDAP) and prestigious Italian economics trade marks (Telecom, Autostrade, Enasarco).

**Giocamondo** using its experiences and resources for a permanent vocational training, offers than alternative methods of cultural training to face the popular need of fun and to help young and adults to socialize.

## LLP

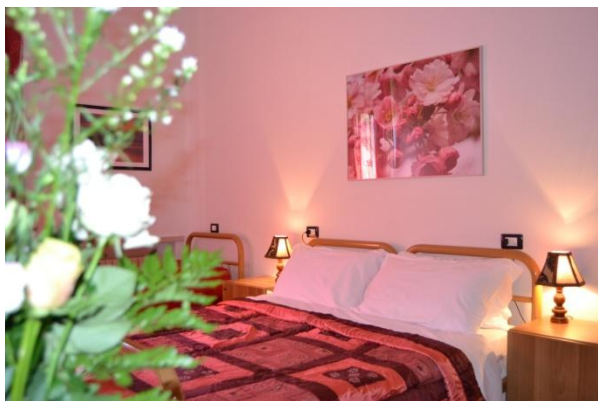

Giocamondo shares every programs about the permanent learning (Comenius, Erasmus, Leonardo Da Vinci, Grundvig).

We take care of every customers, about vocational training and stages.

In fact, our group is a tour operator too and it organizes travels and holidays thanks to a lot of companies contacts. The historical trade marks (Anisetta, Meletti etc..) would be happy to accommodate students in their structures.

## LODGING

Giocamondo has also an enchanting Holiday Centre, “Oasi Carpineto”, that can accommodate up to 200 people, in 60 comfortable rooms, all with private facilities.

In the house, boys who comes from different countries of the EU, can have an intercultural dialogue.

The restaurant is specialized in traditional food, like “olive ascolane” and it can accommodate up to 400 people.

The house also has 4 spacious meeting rooms, set for, if necessary, any indoor activities.

With its numerous sports facilities and 10 acres of private park, “Oasi Carpineto” is the perfect candidate for groups and sport camps; in summer 2011 we had a Milan Junior Camp.

Oasi Carpineto is located just 10 minutes from the town of Ascoli Piceno, famous for its medieval towers and historical tournament ( La Quintana) and Giocamondo puts at customers disposal free buses to catch the town centre up.

Giocamondo's customers would be controlled 24 hours to 24, always in privacy laws
