Planned project	
Short description of the planned project:	OBJECTIVES: - give students the opportunity to have professional training abroad - adjustment to the European Union conditions - sharing and gaining experience - meeting new culture - developing English or German - build up self-esteem, motivation, seek out new opportunities and inspiration, - to broaden career prospects
Description of partners	
Tasks of the partner in the project:	We are interested in companies or institutions (working in the field of commerce, production or finance) which could take our students as trainees (no pay). We are seeking partners interested in taking our students for professional training in hotels, restaurants. busines companies. We expect our partners to provide our students with accommodation and board, as well as persons responsible for the overall contact, especially for the students' safety. The cost of accommodation and board is covered by the funds from the Project. We would like our students to have the opportunity to share professional experience, to gain new skills and techniques and to develop language skills.
