TURKEY

Projinal is a professional organization that deals with education, training and European culture. Projinal is specialized in the preparation and in the implementation of national and international projects financed from EU resources.

Projinal, in this field, provides high quality consulting services that are essential to meet the challenge of maintaining success in an ever changing world. Furthermore, we advise institutions, corporations, non-profit organizations and others on European Programmes and training modules and courses in formal and non-formal education.

WHAT WE DO ?

In the context of “Leonardo da Vinci” Programme Projinal staff welcomes participants from European countries as **host or intermediary** partner. We have built a network of local partners, which can provide a complete Programme. This complete Programme includes lots of services which are;

- Turkish linguistic preparation to participants
- Vocational courses
- Transportation from airport
- Accommodation and catering
- City tours
- Social activities

In addition to these; Projinal provides **Work Placement** in İstanbul, İzmir, Bursa and Antalya. Besides We can provide **Letter of Intent** from work places in Turkey for participants.

Projinal Consulting has project partners in **Czech Republic, Lithuania, Greece, Slovakia, Latvia, Poland, Ireland, Italy, Germany, Sweden, United Kingdom and Portugal**. Projinal Consulting send students to partner countries by writing Leonardo da Vinci projects in order to take vocational education.

There is a list of these vocational fields:

- Tourism and Hotel Management
- Management and Business
- Civil Defense

LOCATION

Projinal is located in the capital city of **Turkey**, in **Ankara**. Our strategic location is surrounded by many nearby cities like Istanbul, Izmir, etc.

Lifelong Learning Programme (LLP) from the European Union represents a substantial part of the work we do at Projinal Consulting. Especially the Leonardo da Vince part of this programme (IVT) is of special interest to us. We have successfully participated and hosted several projects in this programme.

But not only the Leonardo programmes are part of our work. Projinal has contacts all over Europe to provide training and placements for the LLP programmes. Below you can find some general information about the Lifelong Learning Programme, but if you have more questions or maybe even a proposal for cooperation, you can always contact us.

The new Lifelong Learning Programme 2007-2013 replaces the former Socrates, Leonardo da Vinci, and Learning programmes which expired at the end of 2006. It comprises four sectoral programmes: on school education (Comenius), higher education (Erasmus), vocational training (Leonardo da Vinci) and

adult education (Grundtvig), and is completed by a transversal programme focusing on policy cooperation, languages, information and communication technology and dissemination and exploitation of results.

LLP-PLM

The action Transnational Placements in Enterprises or Training Institutions (PLM) of the Leonardo da Vinci sectoral programme aims at the support of transnational mobility of workers, self-employed or people available for employment (including graduates) undergoing a training period abroad in a vocational training context.

The general objectives of this mobility action within Leonardo da Vinci sectoral programme are:

- To support participants in training and further training activities in the acquisition and the use of knowledge, skills and qualifications to facilitate personal development; and
- To enhance the attractiveness of vocational education and training and mobility for individuals and to facilitate the mobility of working trainees.

LLP VETPRO

The action Mobility for Professionals in Vocational Education and Training (VETPRO) of the Leonardo da Vinci

PORTUGAL

GREECE

SLOVAKIA

sectoral programme aims at the support of transnational mobility of persons responsible for vocational training and/or human resources.

The general objectives of this mobility action within Leonardo da Vinci sectoral programme are:

- To support participants in training and further training activities in the acquisition and the use of knowledge, skills and qualifications to facilitate personal development in a professional context
- To support improvements in quality and innovation in vocational education and training systems, institutions and practices.

LLP IVT

The action Mobility for Trainees in Initial Vocational Training (IVT) of the Leonardo da Vinci sectoral programme aims at the support of transnational mobility of persons undergoing initial vocational education and training.

The general objectives of this mobility action within the Leonardo da Vinci sectoral programme are:

- To support participants in training and further training activities in the acquisition and the use of knowledge, skills and qualifications to facilitate personal development; and
- To enhance the attractiveness of vocational education and training and mobility for individuals.
